**SUBMISSION OF TERMINAL DISCLAIMER**

Sir:

In response to the Office Action mailed September 6, 2002 and the Request for Reconsideration mailed December 6, 2002, the applicants enclose the terminal disclaimer that the applicants state that would be mailed (see page 5 of the Request for Reconsideration). The undersigned notes that in the Request for Reconsideration there was a typographical error with respect to US 5,700,886 was referred to as the "866 patent instead of the '886 patent. The applicants apologize for any inconvenience that this may have caused.

No additional fee is due. If there are any additional fees due in connection with the filing of this response, including any fees required for an additional extension of time under 37 C.F.R. 1.136, such an extension is requested and the Commissioner is authorized to charge or credit any overpayment to Deposit Account No. 03-2775.

A prompt and favorable action is solicited. The applicants believe that these claims are in condition for allowance, however, if the Examiner disagrees, the applicants respectfully request that the Examiner telephone the undersigned at (302) 888-6270.

Respectfully submitted,

In re Application of: Andreas Winter et al.

Application No.: 08/120,105

Filed: September 10, 1993

For: A Process For The Preparation Of Polyolefin Molding Compositions Having A Broad Melting Range

The owner, Basell Polyolefine GmbH of 100% percent interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 to 156 and 173, as presently shortened by any terminal disclaimer, of prior Patent No. 5,700,886. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and the prior patent are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 to 156 and 173 of the prior patent, as presently shortened by any terminal disclaimer, in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

Check either box 1 or 2 below, if appropriate.
